

Tensor de 2^{do} ordem:

$$\Phi(x_1, x_2) = \tilde{\Phi}(x_1, x_2)$$

$$A_{ij} = \sum_k B_{ik} C_{kj} = A_{ji}$$

$$A_{ii} = \underbrace{\sum_k B_{ik} C_{ki}}_{\text{escalar}} = A_{ii} \rightarrow \text{Tensor de ordem zero (escalar)}$$
